Note: if this application is approved, the matters not determined as part of this application will need to be the subject of an 'Application for approval of reserved matters' before the development may proceed.

5. Description of the Proposal

- Access
- Appearance
- Landscaping
- Layout
- Scale

Please describe the proposed development

Proposed development of land for B1 light industrial and B2 / B8 industrial units including means of access and layout; illustrative strategic landscaping; with ecological, heritage and amenity (mitigation) zones

Has the work already been started without planning permission? Yes No

6. Existing Use

Please describe the current use of the site

Brownfield previously developed land

Is the site currently vacant? Yes No

If Yes, please describe the last use of the site

Former Royal Ordnance Factory site (never operational for any production, testing or storage of munitions) - ceased being needed by the Ministry of Supply following the end of WW2. Used for sheep grazing until late 1960's. Clay spoil from the Kellogg's factory site deposited on the land and a number of buildings demolished. Site used for "war-games", filming companies and by 4x4 enthusiasts.

When did this use end (if known)?

Does the proposal involve any of the following?

Land which is known to be contaminated Yes No

Land where contamination is suspected for all or part of the site Yes No

A proposed use that would be particularly vulnerable to the presence of contamination Yes No

Application advice

If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.

Does your proposal involve the construction of a new building? Yes No

If Yes, please complete the following information regarding the element of the site area which is in previously developed land or greenfield land

Type	Area of land (ha) proposed for new development
